50MWh Commercial Storage Bid Battery type LFP, rated capacity 50000 kWh, rated power 25000 kW, duration 2 hours. Cycle life 5500 cycles, inverter efficiency 97.0%, system efficiency 89.5%, energy density 245 Wh/L, DoD 95%. Warranty 10 years. Certifications: IEC 62619, UN38.3, CE. EMS integrated. Active balancing BMS. Grid-connected. Pricing: total 14500000 EUR, unit price 0.29 EUR/Wh.
